Telemecanique (Schneider) - TESTA LAMPADA SPIA ARANCIO LED

Codice prodotto	SNRZB4BV053E
Produttore	Telemecanique (Schneider)
Categoria	ILLUMINAZIONE
Codice doganale	1741

DESCRIZIONE

This Harmony XB4, plain lens head for pilot light with universal LED is orange. It has a round shape and a chromium-plated metal bezel. This head for universal LED pilot light is designed to last without maintenance for a bright indicator of process and machine operations. The product is designed to use with legend insertion and is clearly distinguishable visually at a distance thanks to a clear color of len, enabling complex machine statuses to be read at a glance. It is impact resistant, dust resistant, water resistant and vibration resistant thanks to its IP66. It is designed to fit in a standard 22mm cutout, ensuring compatibility when installing in pre-existing machinery. Its wide range of operating temperatures from -40°C to 70°C allows versatility in usage of product.
