Telemecanique (Schneider) - TESTA SELETTORE A LEVA LUCCHETTABILE

Codice prodotto	SNRZB4BJ891
Produttore	Telemecanique (Schneider)
Categoria	ACCESSORI TELEMECANIQUE (SCHNEIDER)
Codice doganale	1741

DESCRIZIONE

This Harmony XB4, black selector switch head with padlockable long handle has 3 positions, operates with spring return from right to center mechanism with locking on left position. This switch head provides an ergonomic interface for controlling your machines. It is supplied with padlockable long handle to provide a secure manner for your authorized staff to make change in an operation. It can easily be installed on compatible selector switch units and provide an effective manner to set your machine in various operating modes. It is impact resistant, dust resistant, water resistant and vibration resistant thanks to its IP69K. It has a metal bezel, this makes it Ideal for applications requiring high impact and vibration resistance. It is designed to fit in a standard 22mm cutout, ensuring compatibility when installing in pre-existing machinery. Its wide range of operating temperatures from -40°C to 70°C allows versatility in usage of product.
