Telemecanique (Schneider) - TESTA PULSANTE CON CAPPUCCIO NERO

Codice prodotto	SNRZB4BP2S
Produttore	Telemecanique (Schneider)
Categoria	ACCESSORI TELEMECANIQUE (SCHNEIDER)
Codice doganale	1741

DESCRIZIONE

This Harmony XB4, flush black button head with colored silicone boot operates with a spring return / impulse mechanism. This colored silicone booted button head provides an ergonomic interface for controlling your machine and a simple solution to prevent dirt and other contaminants. It is easily installed and replaced on compatible complete push button units and contact blocks via snap-fit assembly. It is impact resistant, dust resistant, water resistant and vibration resistant thanks to its IP69K. It has a metal bezel, this makes it Ideal for applications requiring high impact and vibration resistance. It is designed to fit in a standard 22mm cutout, ensuring compatibility when installing in pre-existing machinery. Its wide range of operating temperatures from -40°C to 70°C allows versatility in usage of product. The clear boot prevents growth of bacteria in joints and gaps, it makes this product ideal for high hygiene environments.
