Telemecanique (Schneider) - TESTA PULSANTE NERO IN GOMMA

Codice prodotto	SNRZB5AP2S
Produttore	Telemecanique (Schneider)
Categoria	ACCESSORI TELEMECANIQUE (SCHNEIDER)
Codice doganale	1741

DESCRIZIONE

This Harmony XB5, black flush head with silicone boot operates with a spring return / impulse mechanism. This colored silicone booted button head provides an ergonomic interface for controlling your machine and a simple solution to prevent dirt and other contaminants. It is easily installed and replaced on compatible complete push-button units and contact blocks via snap-fit assembly. It is impact resistant, dust resistant, water resistant and vibration resistant thanks to its IP66. It has a plastic bezel, this makes it ideal for applications requiring good resistance to chemical agents and/or double electrical insulation. It is designed to fit in a standard 22mm cutout, ensuring compatibility when installing in pre-existing machinery. Its wide range of operating temperatures from -40°C to 70°C allows versatility in usage of product. The clear boot prevents growth of bacteria in joints and gaps, it makes this product ideal for high hygiene environments.
